

12th International Harp Competition “M. Tournier”
Registration deadlines reopening
Modifications and integrations to the October 2020 call

The terms of registration for the 12th International Harp Competition “M. Tournier”, originally scheduled for October, 20-21, 2020, and not performed due to the worsening of the epidemiological situation, are now reopened.

Previous registrations are held as valid and, as regards age limits, the categories candidates belonged to at the time of their first registration will be maintained.

New candidates can register for the Competition by sending the application form thoroughly filled in, plus a copy of the payment receipt of the registration fee only by email to the following address: protocollo@conservatoriodicosenza.it. The new deadline for submitting applications will be **December 19, 2020**.

How to participate

For all candidates (previously and newly registered) the Competition will take place online by sending a video that will stand as the actual test. The video with the performance of the chosen repertoire must be made available in streaming mode (no download) **within January 31, 2021**, by a YouTube link to a private unlisted channel (select “unlisted” option in the privacy section). The link to the video must be sent to the following email address: concorsotournier@gmail.com.

Video requirements: fixed shot on the candidate with a clock placed behind him/her, so that it is possible to check the length of the performance. No interruption of the shooting is allowed. The candidate, at the beginning of the video, must introduce him/herself by stating his/her first and last names, listing the repertoire he/she will perform (in due order), and showing his/her identity document to the video camera.

Candidates will attach to the email also a PDF file with their personal information, the category they belong to, and the repertoire. A confirmation of correct receipt of the video will be sent. It will not be possible to send a second video.

By Friday, **February 5, 2021**, the links to all videos received will be published on the Facebook page dedicated to the Competition (Concorso Internazionale di Arpa “Marcel Tournier”).

The jury will notify the results of the competition to those directly interested by email and will publish them on the Facebook page and on the web page of the Conservatory of Cosenza by **February 14, 2021**.
